Investment Objectives and Strategies

This fund's objective is to achieve a high level of total return, including dividend income and capital gains from the value of your investment by investing primarily in dividend-paying common and preferred shares of Canadian companies.

The portfolio manager uses a bottom-up fundamental investment process to seek to identify attractively priced securities. This process includes analyzing financial statements, company management and valuations, with an emphasis on companies that generate stable and predictable cash flows.

Disclaimer

BMO Mutual Funds are offered by BMO Investments Inc., a financial services firm and separate legal entity from Bank of Montreal. BMO Global Tax Advantage Funds are available through BMO Global Tax Advantage Funds Inc., a separate entity managed by BMO Investments Inc. For details on how BMO Global Tax Advantage Funds are structured to allow transfers without the realization of capital gains, please read the prospectus.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus of the mutual fund before investing. Except as otherwise noted, the indicated rates of return are the historical annual compounded total returns including changes in share value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed or covered by the Canadian Deposit Insurance Corporation, the Régie de l'assurance-dépôts du Québec or by any other government deposit insurer. The value of mutual funds change frequently and past performance may not be repeated.
