### Investment Objectives and Strategies

This fund's objective is to provide a fixed monthly distribution by investing primarily in U.S. equities and U.S. fixed income securities.

The Fund invests in U.S. Ginnie Maes, high yield bonds, dividend-paying equities, preferred shares and real estate income trusts to generate monthly U.S. interest income. Investing in this broad range of asset classes ensures stability of income and reduces risk through diversification.

## Disclaimer

BMO Mutual Funds are offered by BMO Investments Inc., a financial services firm and separate legal entity from Bank of Montreal.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus of the mutual fund before investing. Except as otherwise noted, the indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. For money market funds, the performance data assumes reinvestment of distributions only and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. In addition, for money market funds, there can be no assurances that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment in the fund will be returned to you. Mutual funds are not guaranteed or covered by the Canada Deposit Insurance Corporation, the Régie de l'assurance-dépôts du Québec or by any other government deposit insurer. The value of mutual funds changes frequently and past performance may not be repeated.
